

Gloucester Situation

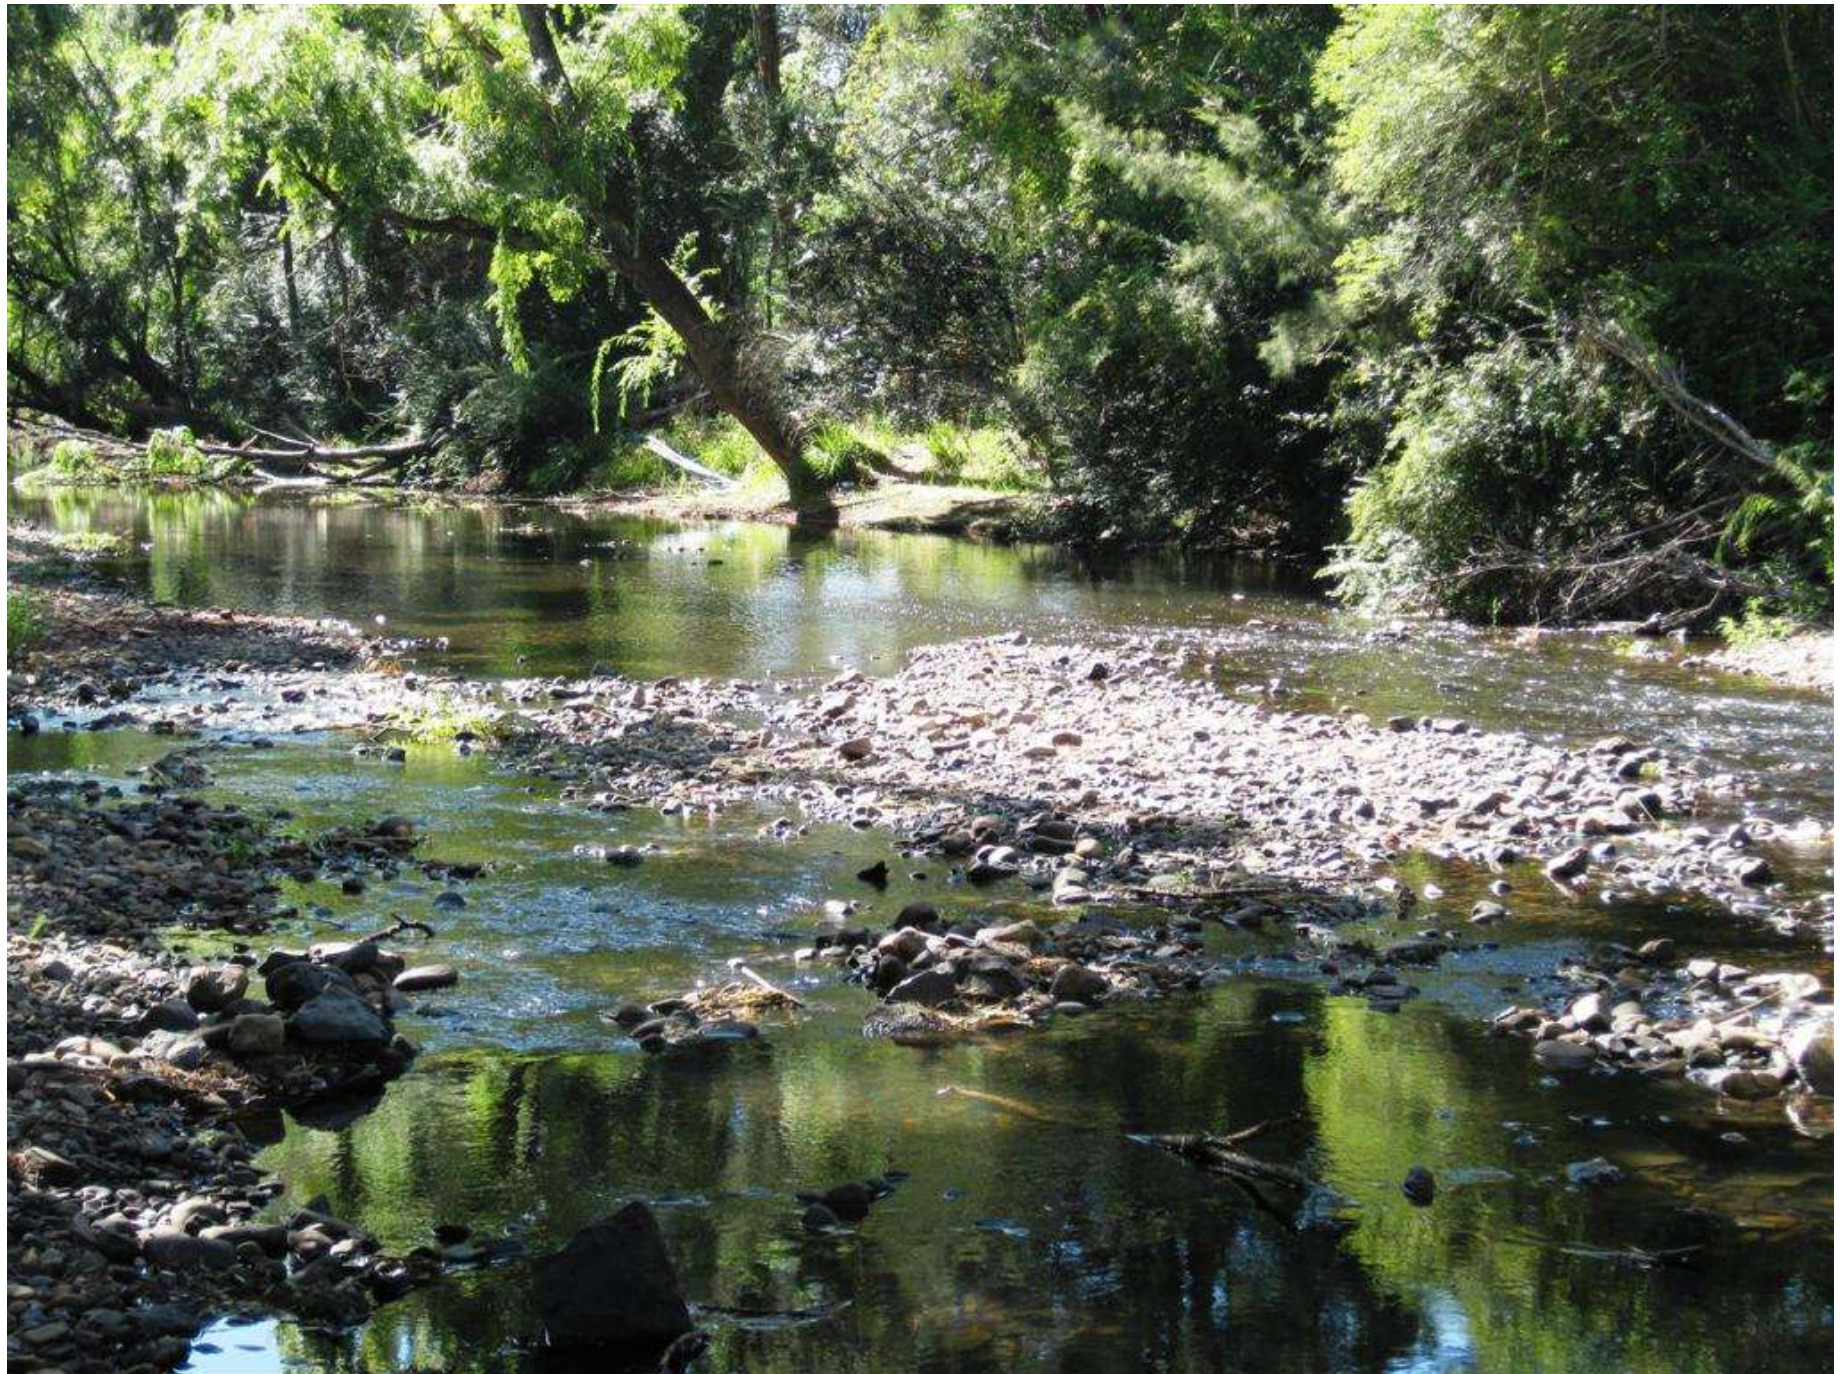

AGL - CSG

GRL – ‘Rocky Hill’ Coal mine

AGL/GRL/Yancoal throughout valley

Our aims...

- To provide clean, affordable renewable energy for residents and business
- To improve community cohesion
- To increase the diversity of enterprises
- To create job opportunities
- To improve prosperity
- To add social capital

Current projects...

- Ensure the community is aware of us and supports our aims
- Energy audit and energy efficiency for lower-income residents
- Solar electricity for our Neighbourhood Centre

Challenges and successes...

- Community support
- Funding for solar project
- How to go about executing the projects
