

AUSTRALIA'S FIRST
COMMUNITY ENERGY CONGRESS

COMMUNITY ENERGY CONGRESS

Canberra 16-17 June 2014

- ✓ inspiring speakers and case studies
- ✓ relationship and network building
- ✓ sessions on technologies and business models
- ✓ learn about energy regulation, policy and reform
- ✓ have your say on the Australian Community Energy Strategy
- ✓ be part of the launch of the Coalition for Community Energy (C4CE)

GET INVOLVED ...

If you want to start your own community energy group, learn more about developing community energy projects, understand the national energy market or help influence government policy and strengthen the community energy sector, **this is your event.**

→ Register your interest at
